Dear Will,

Thank you for remembering the animals in your charitable giving. Because of your thoughtful support, Anderson will save the lives of over 4,000 homeless dogs, cats, puppies and kittens and more than 3,000 orphaned and injured wild animals. Wounds will be healed, hope will be restored and hearts will be mended. With your help, each of these precious animals will receive all of the veterinary care, training and TLC they need to become ready for adoption and to begin new lives with their forever families.

Anderson does not receive state or federal funding. Support from donors like you allows us to save the lives of thousands of homeless pets, positively impact over 5,000 school-aged children through our humane education program each year, and create mutually beneficial relationships between military veterans and shelter animals through our Military Veterans Program (MVP). Your donation truly does make a difference. With your help, we will continue to create second chances and impactful relationships between people and animals.

Please feel free to call or email us at any time, if you have comments, feedback, or ideas you would like to share. We welcome your involvement.

Thank you again, for your support. Your donation to Anderson truly matters and is deeply appreciated.

Gratefully,
